Bar Code Labeling Software

featuring **clearTag**<sup>™</sup>  
Bar Code Labels

## Virtually label anything in your pharmacy, even items with small surface areas!

- Clear stem will not obscure manufacturer's label
- Permanent adhesive allows fixture to any unique surface
- Scratch resistant surface to maintain integrity of bar code
- Flexibility of label reduces tangles in medication carts
- Freezer grade material will not degrade integrity of the label or bar code
- Thermal transfer label will not fade over time
